

## SPONSORSHIP PACKAGE

# ISPRS Technical Commission V Symposium

## Riva del Garda, 23-25 June 2014

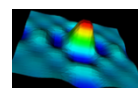

The Organizing Committee of the ISPRS Technical Commission V Symposium would like to invite you to participate as an exhibitor and/or supporter at the upcoming Conference to be held in Riva del Garda (Italy) on 23-25 June, 2014.

The quadrennial International Symposium of ISPRS Technical Commission V is the premier **worldwide forum** for reporting new results and sharing professional experiences about **close-range imaging and ranging sensors** as well as applications in the field of **industrial metrology, cultural heritage, architecture, biomedical and geosciences**. More information about ISPRS and the Commission V Symposium is available at <http://isprs-commission5.fbk.eu>.

A **Company Exhibition** will be organized during the conference. This exhibition has the aim of informing the conference attendants about new commercial opportunities in the geomatics, industrial, architectural, heritage and geoscience fields. The exhibition will be permanently open during the conference and will be situated in proximity of the coffee break locations and poster session spaces.

We expect to obtain a good attendance at the conference, where usually a number of 250 researchers and specialist gather every four years. The ISPRS Technical Commission V Symposium, being located in the pretty town of Riva del Garda in the middle of June, will be very attractive offering, beside the scientific event, the opportunity to enjoy the romantic scenarios of the northern coast of Garda Lake and the nearby world renowned mountains of Trentino region (Dolomites). The Symposium's venue is also conveniently located to reach the main tourist destinations of North Italy (Verona, Venice, Milan, etc.).

There are **several opportunities** for your company to be involved in ISPRS Technical Commission V Symposium. By participating at this international event you will be able to exhibit your organization's technical expertise and services and, at the same time, to have a look at the latest research results achieved by worldwide institutions.

If your organization is interested in participating, but you don't find the opportunities that best fit it, please directly contact our team at [isprs-commission5@fbk.eu](mailto:isprs-commission5@fbk.eu) and we will do our best to arrange alternative solutions.

We hope that you will consider the opportunity to participate at ISPRS Technical Commission V Symposium and we are looking forward seeing you in Riva del Garda in June 2014.

## SYMPOSIUM'S VENUE

**Riva del Garda** is the main town in the Northern Garda Lake. The mild climate favors a typically Mediterranean vegetation with lemon trees, olive trees, laurels and palm trees: a true Mediterranean island at the foot of the Dolomites. The center of Riva del Garda will fascinate you with its works of art and architecture, witnessing to ancient history and a past rich in art and culture. In past, the town hosted famous names such as Nietzsche, Kafka and the Mann brothers. This exclusive yet familiar reception is still part of the tradition of the shores of Garda Lake. The ISPRS Technical Commission V Symposium will be held in the Riva del Garda Congress center (<http://www.rivadelgardacongressi.it>) which is located by the lake and few minutes from the center of the town.

# OPPORTUNITY FOR YOUR ORGANIZATION

- Participation** Register as conference participant in order to interact with experts from around the world and have a look at the latest research results.
- Exhibitor sponsorship** Participate with an exhibit of your products/services to establish new contacts with participants, institutions and other companies exploring research results, thereby increasing your corporate profile, as well as your opportunities to create future joint activities. Different sponsorship options (Platinum-Gold-Silver-Bronze) are available. For more details, see next page or please contact [isprs-commission5@fbk.eu](mailto:isprs-commission5@fbk.eu) for ad-hoc packages.
- “À la carte” opportunities** As an alternative to this sponsorship program, other stand-alone sponsorship opportunities for a company or organization to demonstrate support for ISPRS Technical Commission V Symposium are available.
